My Dear Officer Candidate,

1. As the D day for part D approaches, I sincerely hope that you have by now finished revision of the study mtrl. If not, it is advisable to take a week/ten days lve to complete it and identify the topics that you need to revisit on the day before each subject exam.
2. Do remember that passing all the subject papers will fetch you CPV marks in the DSSC merit and might prove crucial in your making the grade. A sincere effort from your side will ensure "you going over the hill".
3. Also remember to allott time to each answer in proportion to the marks allotted to the question and stick to that time. Answer in pt form in short and crisp sentences within word limit. Do not beat around the bush and waste time. An examiner is assigned one x 50 mk/2 x 30 mk/3 x 10 mk questions. He checks them for all the offrs. By 10-15 answer sheets, he become master of the DS soln. So no pt in trying to impress with long answers.
4. Lastly please accept my best wishes for the exam. Hope to see your name in "passed all subject" category.

All the Best !

Regards.

Yours Sincerely

Girish
